When a Renovation Goes All the Way, You
Get Sea Raider 304

There are renovated condos, and then there are homes that have been reimagined from the inside out. Sea Raider 304 belongs in the second category. This top-floor oceanview unit on 64th Street is not a facelift or a quick refresh. It has been stripped to the studs and rebuilt with the kind of care, materials, and vision you almost never see at this price.

The old paneling is gone and replaced with brand-new drywall that gives the entire condo a clean, modern feel. The kitchen is a showpiece with a waterfall quartz countertop, new cabinetry, and sleek stainless appliances. Three high-efficiency mini-split systems now provide whisper-quiet heating and cooling throughout the unit. The bathrooms were completely reinvented with custom tiled showers that look like they belong in a boutique hotel.

Every inch of this property feels intentional, fresh, and finished to a higher standard. Light, space, and design work together to create a home that feels modern yet comfortable, stylish yet practical. And because this is the top floor, the views are better, the light is brighter, and the peace is unmatched.

The location places you in the heart of 64th Street, one of Ocean City's most

convenient Midtown spots. Beach access is steps away. Restaurants, coffee shops, and essentials are close by. Ocean City’s best amenities are within easy reach, making this condo just as ideal for year-round enjoyment as it is for a seasonal escape.

This is the kind of listing that people talk about because it is rare to see this level of work, detail, and finish offered at such an accessible price point. It is modern. It is move-in ready. It is one of the strongest values on the market.

Sea Raider 304 is a chance to own a fully rebuilt, top-floor oceanview condo without the top-floor price tag.

Schedule your showing. This one will not blend in. It stands out. And the buyers who recognize that will move quickly.
